Stylish Design
Crafted with ultra-modern flat doors and side pocket handles, with your choice of silver or white finishes, your fridge will be the centrepiece of your kitchen. (Silver model shown)

FlexStor Adjustable Door Bins
When life gets busy, flexibility is a life saver. That's why Westinghouse created the FlexStor system. The adjustable door bins allow for quick and easy adjustment whenever or however you need it. We make it easy to do more with your fridge.

FreshSeal Crispers
Our FreshSeal Crispers have advanced seals, and with humidity control you get better flexibility to look after your food the right way. Our seals assist in preventing moisture loss, while the humidity control lets you provide a better environment for fresher tasting food.

SpillSafe™ Glass Shelves
Spills happen, but when they do, the world doesn't have to end. The Westinghouse SpillSafe™ glass shelves help with the mess by containing the spilt liquid to one shelf, so you have less to clean.
