

70cm 4 zone ceramic cooktop with knob controls, residual heat indicator and easy clean ceramic surface.

Product Details

FEATURES

Residual Heat Indicator

Easy clean ceramic surface

2.3kW powerful zone

9 power levels

BENEFITS

Safety first

Kitchen safety comes before everything else, so our heat indicators show activated hotplates as well as hotplates that are still cooling down.

Easy clean ceramic surface

Not only aesthetically pleasing, the durable glass surface is easy to clean and maintain ensuring your kitchen is always looking at its best.

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
