BENEFITS

Filtered Ice and Water Dispenser
The dispenser provides fresh, filtered water as well as cubed or crushed ice at the touch of a button for all your family needs

Compact ice maker
The newly designed ice and water fridge with compact ice maker allows for more usable space in your freezer.

Electronic Controls
Organising your fridge couldn't be easier! Separate temperature controls, fast chill for drinks and eco/holiday modes allow you to adjust your fridge to suit your lifestyle at the touch of a button

Unique direct bottle filling
The Aqua Direct bottle filling fits drink bottles of all shapes and sizes.

Blue feature lighting
Blue feature lighting increases visibility and enhances the stylish design of the fridge interior
